The Justice

**Oliver Wendell Holmes
High School**

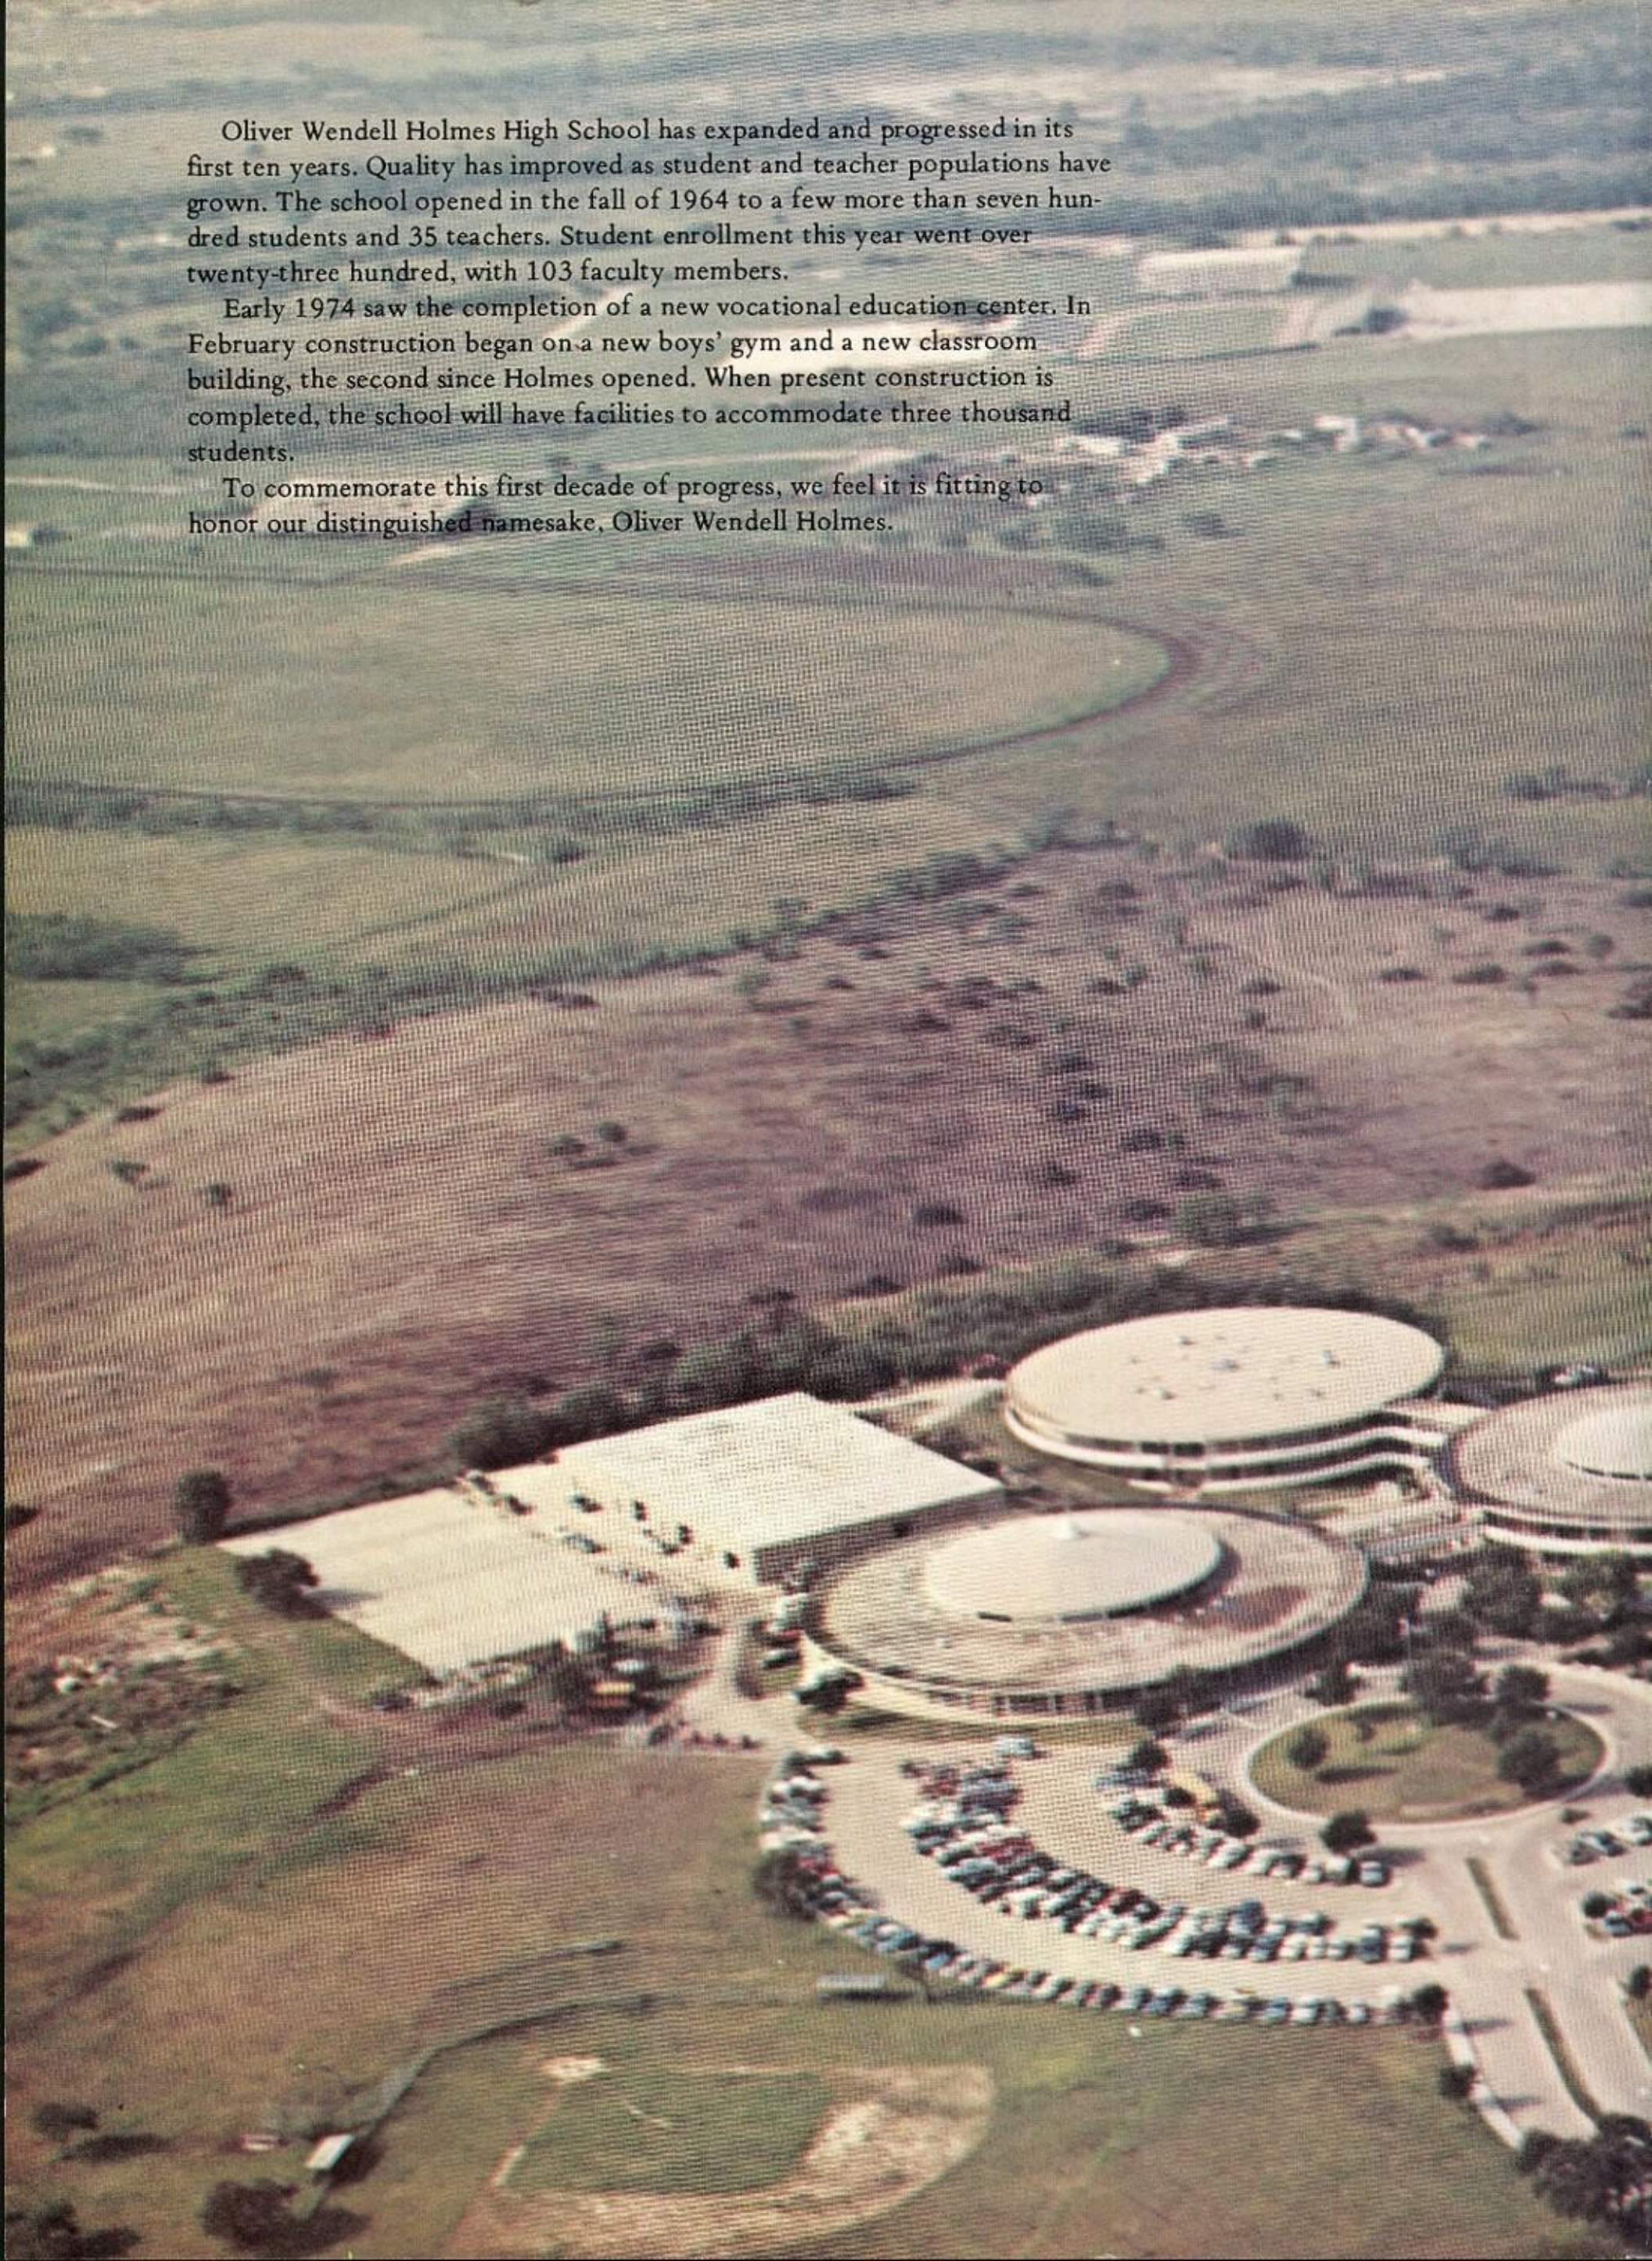

**San Antonio, Texas
Volume 10**

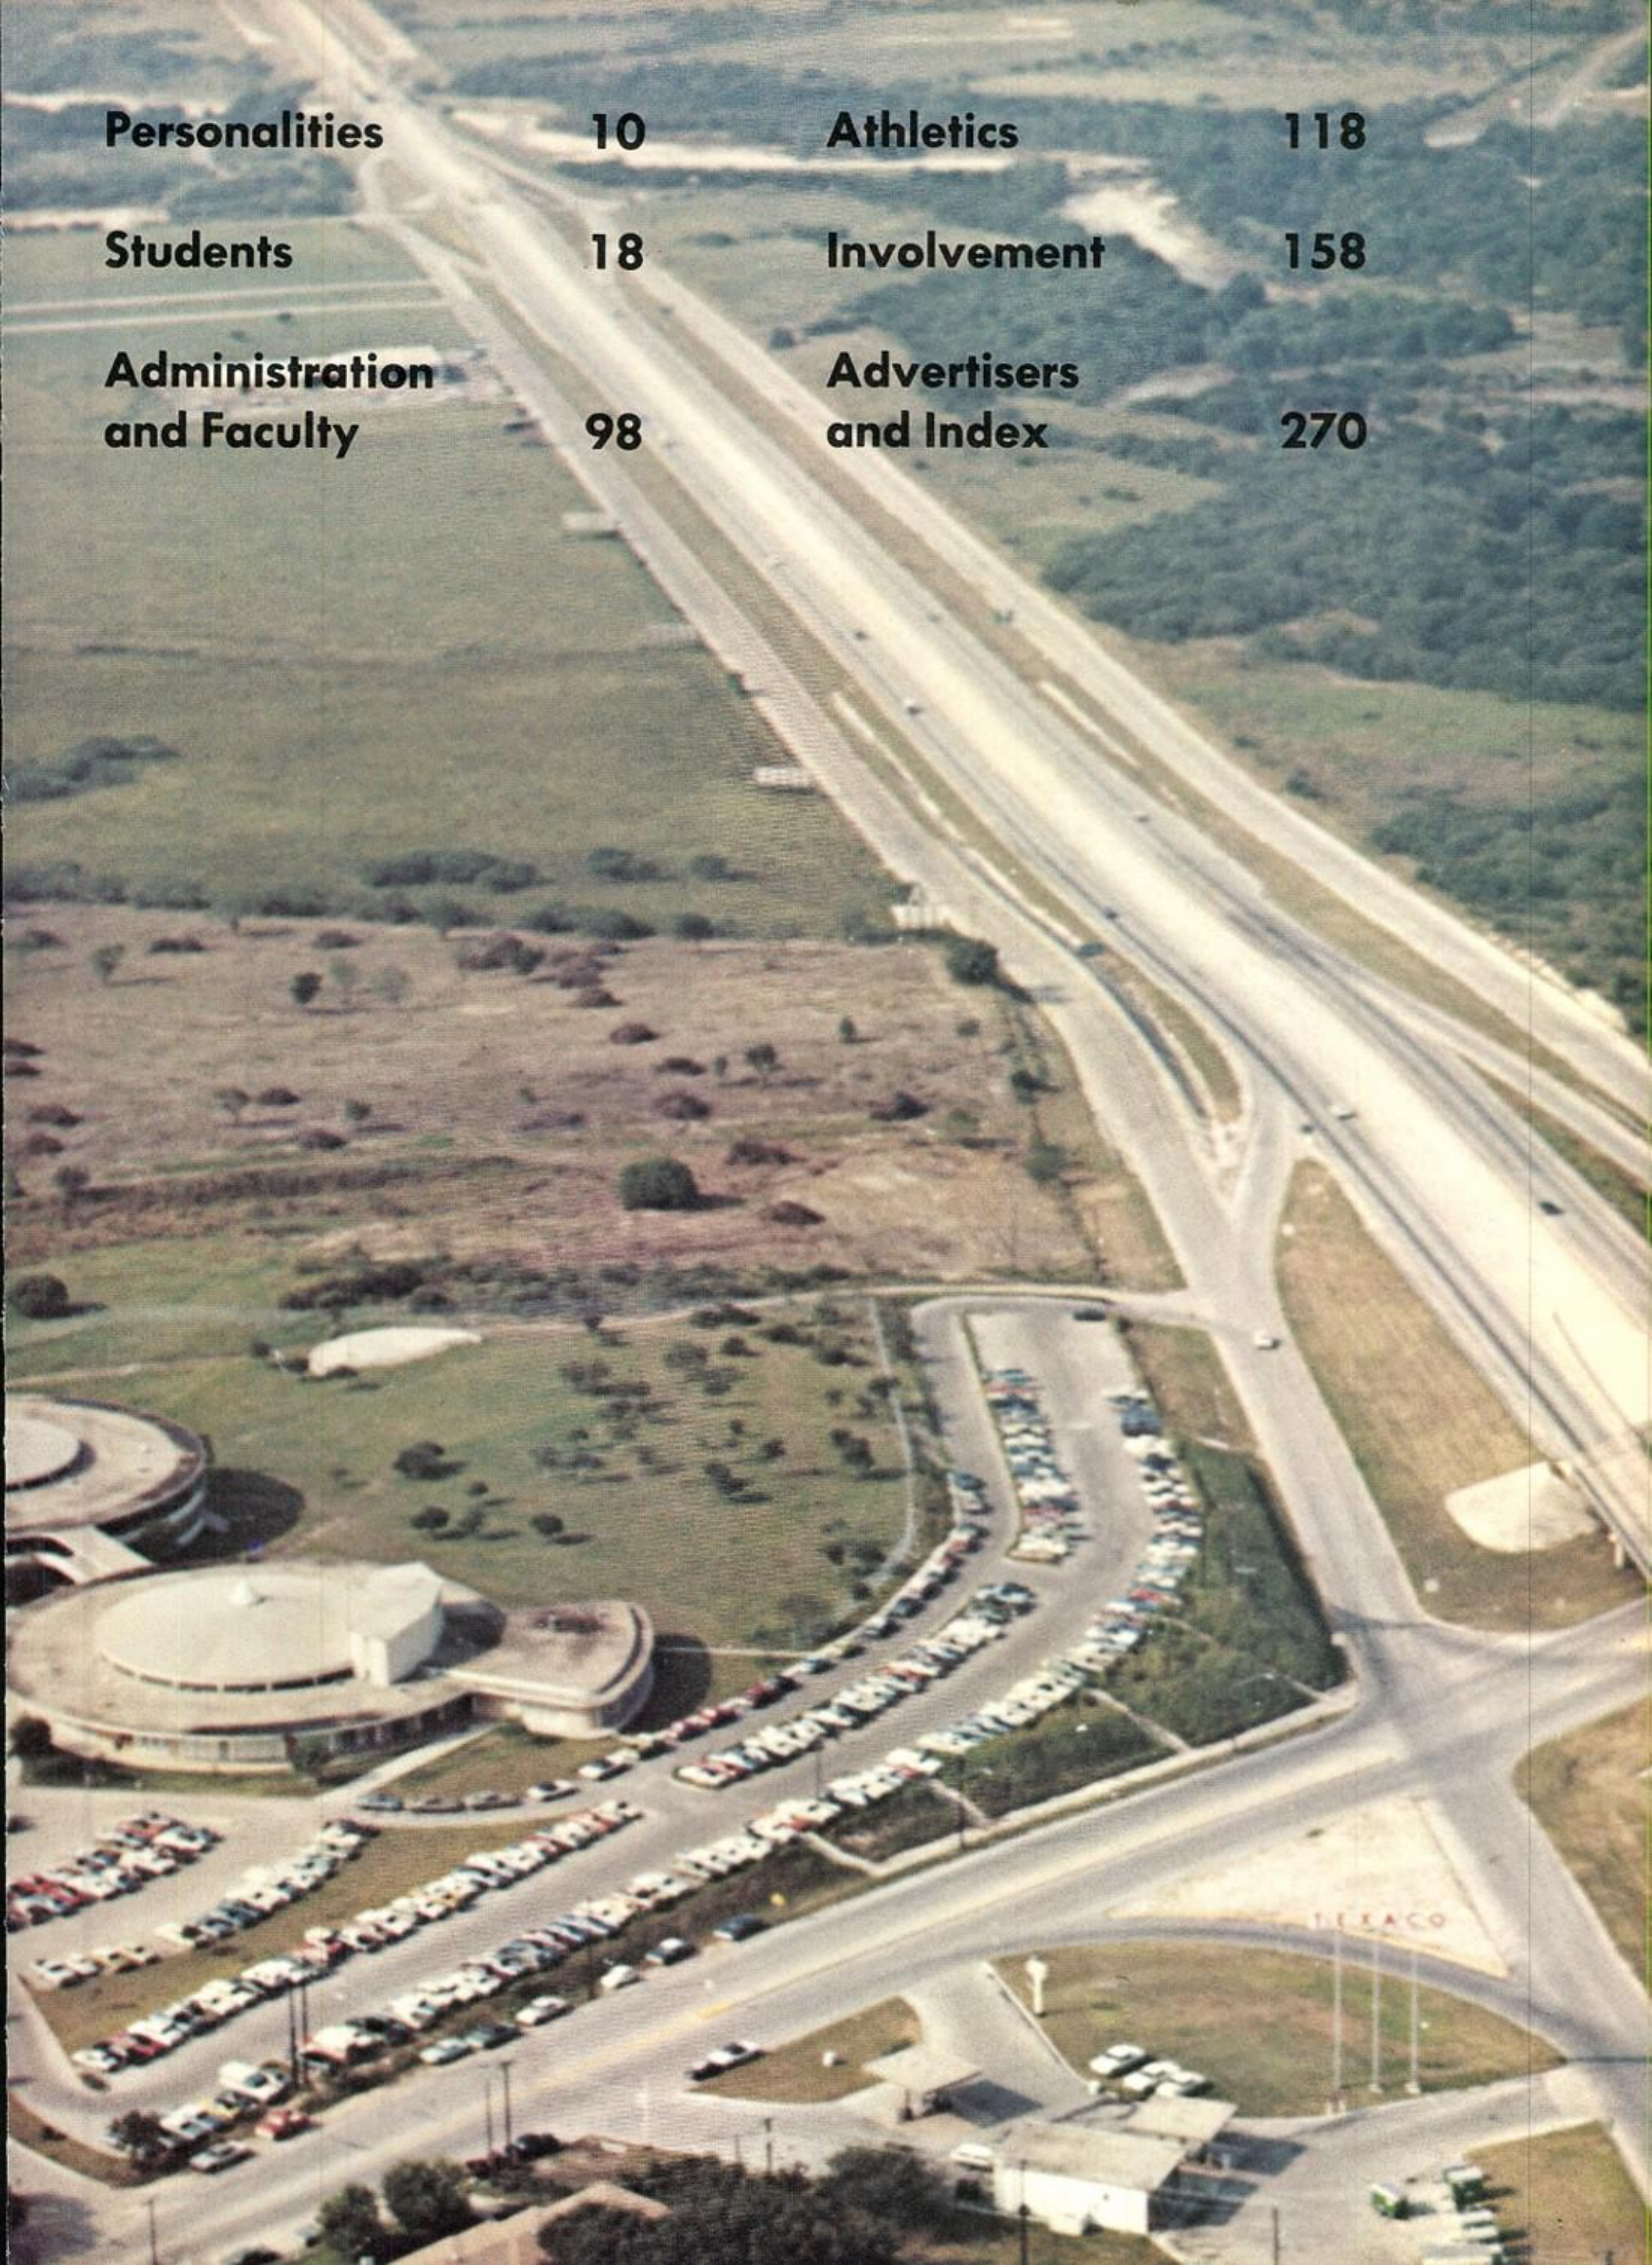

Oliver Wendell Holmes High School has expanded and progressed in its first ten years. Quality has improved as student and teacher populations have grown. The school opened in the fall of 1964 to a few more than seven hundred students and 35 teachers. Student enrollment this year went over twenty-three hundred, with 103 faculty members.

Early 1974 saw the completion of a new vocational education center. In February construction began on a new boys' gym and a new classroom building, the second since Holmes opened. When present construction is completed, the school will have facilities to accommodate three thousand students.

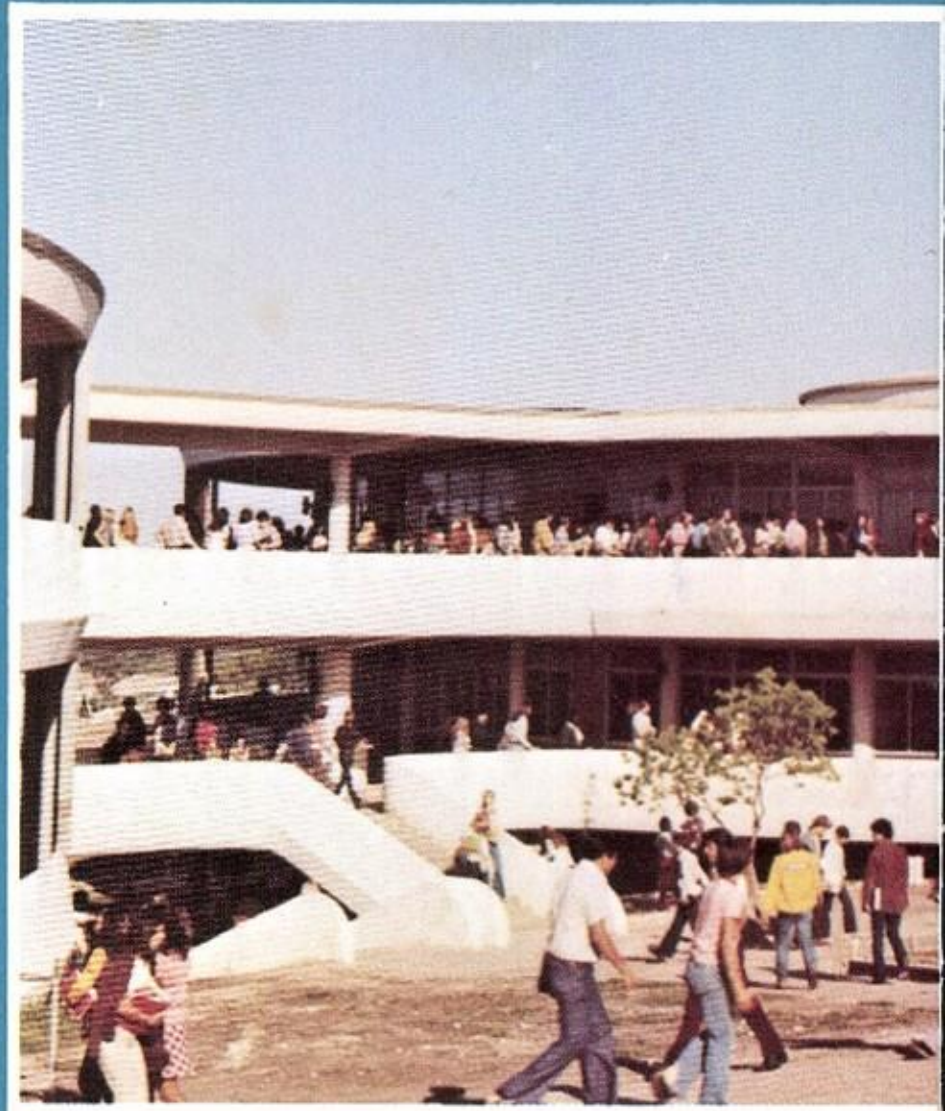

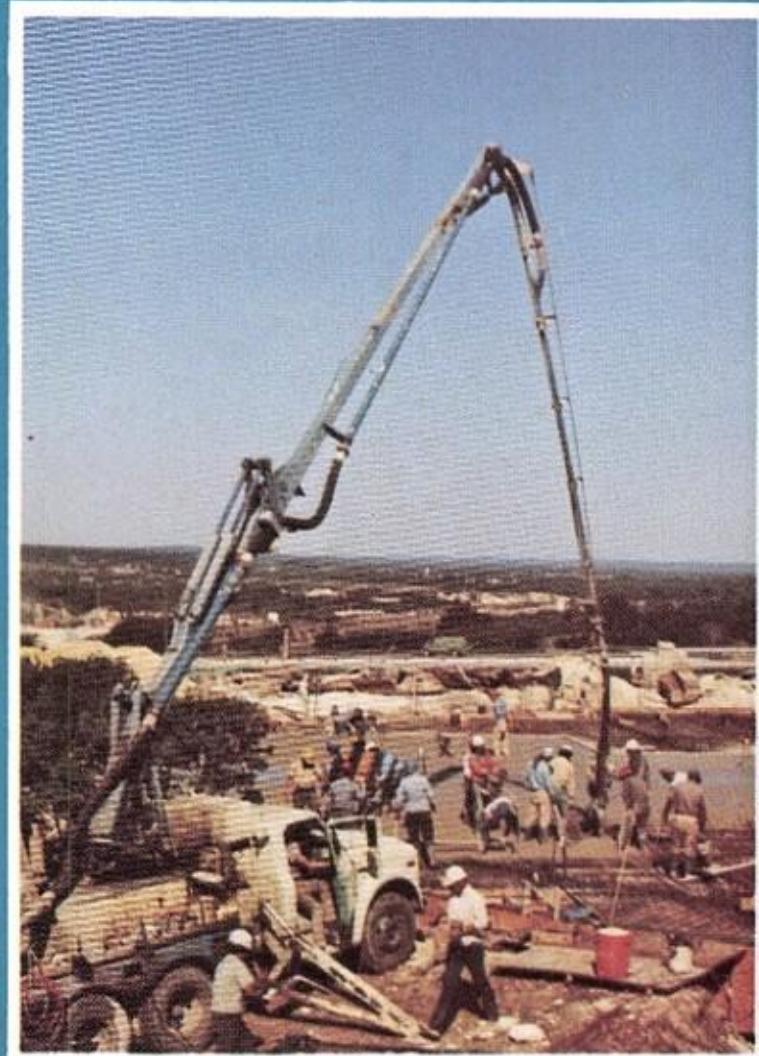

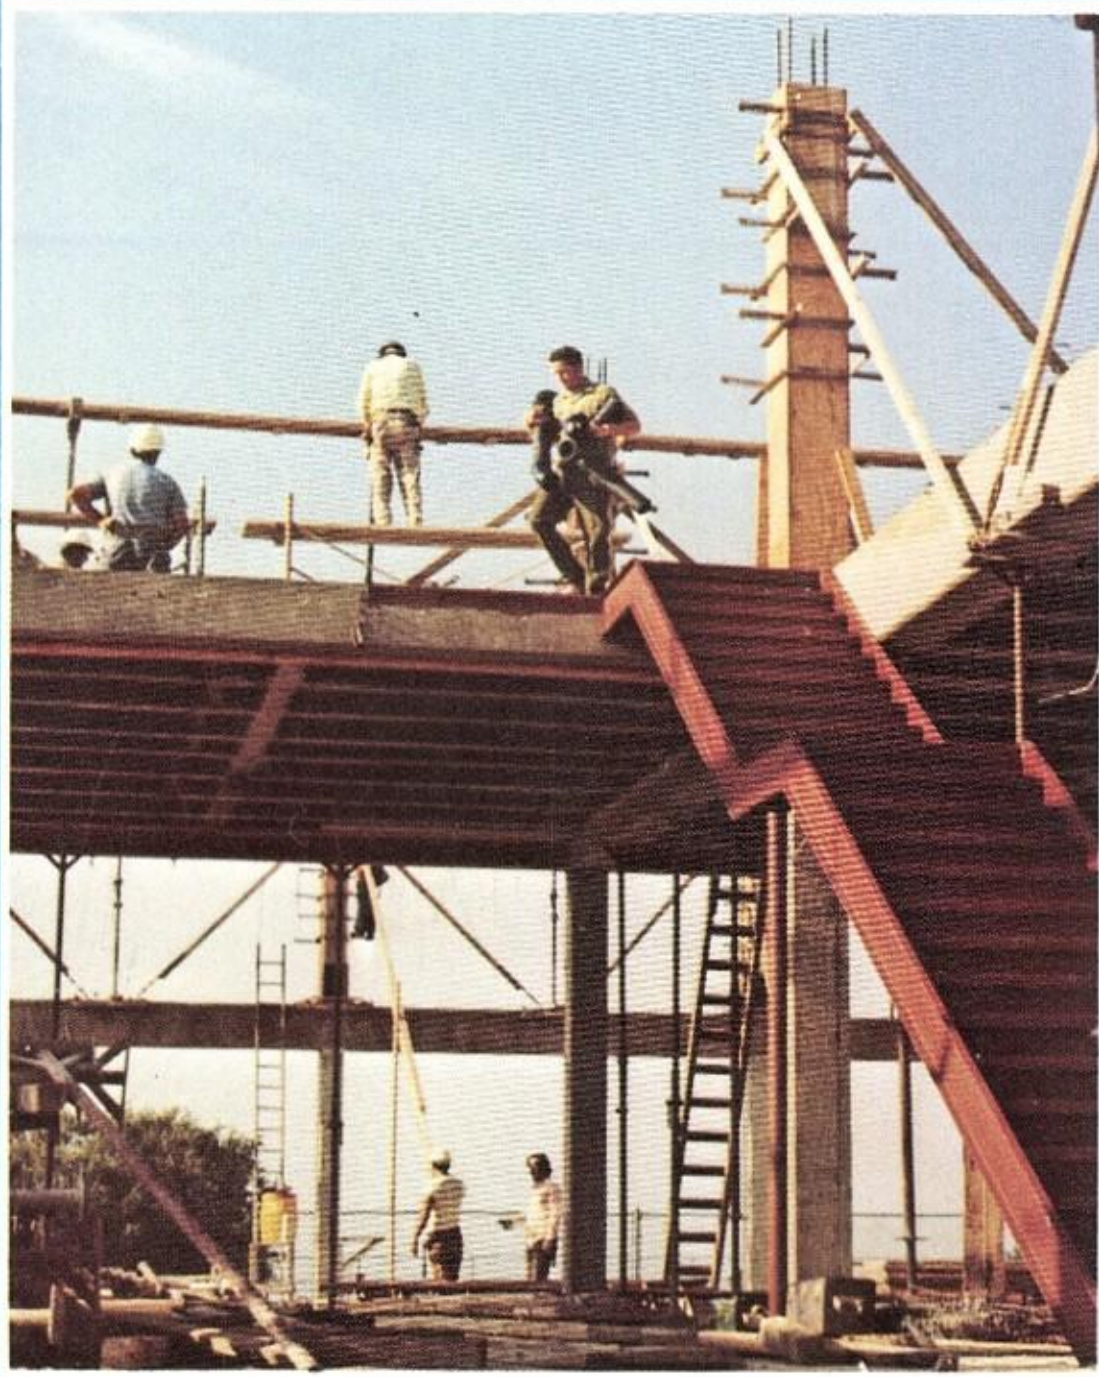

To commemorate this first decade of progress, we feel it is fitting to honor our distinguished namesake, Oliver Wendell Holmes.

The Spirit Is

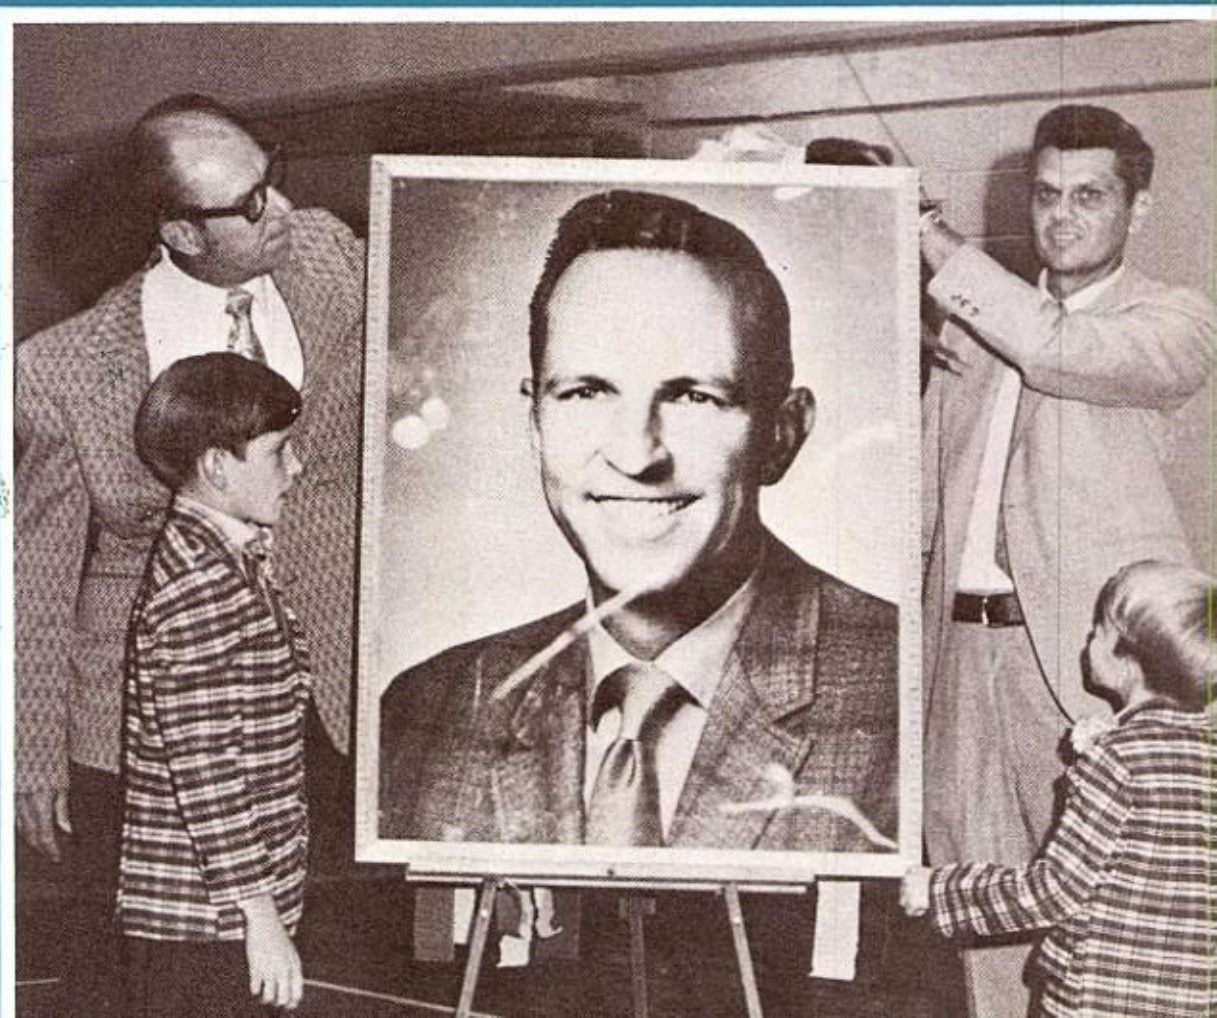

Always Here

The Northside athletic complex is one step nearer completion with the opening of the Paul Taylor Gym. The Huskies received the honor of playing and winning the first basketball game in the new building. The Gym was dedicated and named for former Husky basketball coach Paul Taylor. Halftime ceremonies included unveiling of a large portrait of Coach Taylor by his two sons assisted by Mr. William J. Thornton, NISD chairman, and Mr. Jack Jordan, assistant superintendent, Holmes' first principal.

Paul,
you are a
like guy. Hope
you stay that way.
Good luck in the future.
Yours
Judy 11/76

your a real
nice guy hope you
stay that way. Wishing
you all the luck and best
wishes for your future.
Come out one of these days and see
one of our basketball games. stay
friends always!
cool!
